Context for prayer.

Friends, Fellow Citizens. A number of us in our South Central Neighborhood have met out of our common concern with the so-called "Adult Entertainment establishments -- the Massage Parlors, three very close to our church building -- The Palace, Taylor and Broadway, the R&R, Broadway and Creighton almost -- a small stone's throw from the Emmaus Lutheran facility directly across the street; and the Magic Fingers, a bit further south on Broadway! and the Cinema Blue, adult theater which offers us opportunities for titillation from late in the morning till early the next morning.

We have met with the Mayor, Chief Buckmaster, City Attorney, County Prosecutor. We have begun a campaign to rouse citizen support for ^{increase} the efforts in police enforcement of the statutes ~~and~~ and ordinances against prostitution and pornography.

We have voiced our support of efforts to curtail the drinking and drugs at the Coliseum ^{and other public places} events. We have spoken in favor of the efforts against street prostitution and gambling. We believe that the community needs more than our prayers. It needs our concerned and concentrated action. It needs the efforts of those entrusted with decisions in this council, as well as those of us who preach and work and live and walk in the neighborhoods of this city.

It is in that spirit, and with this context, that I pray this evening:

BILL NO. S-79-03-11

SPECIAL ORDINANCE NO. S-

AN ORDINANCE amending certain sections of Chapter 24 "Sewer and Sewerage Systems" of the Code of the City of Fort Wayne, Indiana of 1974 to allow for water consumption for sprinkling for a three-month summer period

WHEREAS, it is necessary to amend Chapter 24 of the Code of the City of Fort Wayne, Indiana of 1974, "Sewer and Sewerage Systems", to allow for water consumption for sprinkling for a three-month summer period, for residential water customers only, this usage to be exempted in computing sewer charges.

NOW THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA:

SECTION 1. That Chapter 24, Article VI "Service Charges Based on Water Usage", Item 603 is amended to be and read as follows:

603. Exempt Water - General Where a significant portion of the metered water does not and cannot enter the sewerage system, either directly or indirectly, the person having charge of the property may request permission from the City to install at his own expense either an approved meter or meters to determine the quantity of water that cannot enter the sewerage system or an approved sewage-measuring device or devices to determine the volume of sewage that actually enters the sewerage system; when appropriate, the City reserves the right to determine by whatever other means and methods it may find practicable the percentage of the property's metered water that enters the sewerage system. In any case the service charge shall be based on the quantity of water that can or actually does enter the public sewers but in no case shall it be less than the minimum charge for the class of user served.

SECTION 2. That Chapter 24, Article VI "Service Charges Based on Water Usage", is hereby amended by adding thereto the following:

605. Exempt Water Sprinkling. A residential water consumer shall be billed for sewage service beginning with the billing of District 19 around the beginning of July and ending with the billing of District 17 around the beginning of October as follows: The monthly sewage charge shall be the lesser of a charge based on the actual (or estimated water consumption)

or a charge based on twice the consumer's average monthly consumption during the prior bimonthly meter reading period. This bimonthly period begins with the reading or estimating of District 19 around the middle of March. A new account without a bimonthly meter reading period prior to the exempt water sprinkling period shall be billed the lesser of a charge based on the actual (or estimated water consumption) or a charge based on twice the minimum sewage rate during the sprinkling period. A water consumer without an actual read at the end of the exempt water sprinkling period shall be allowed a sewer credit based on an average monthly usage as computed from the date of the Utilities' last actual read to the date of the Utilities' actual read made after the end of the exempt water sprinkling period.

The provisions of this section shall not apply to any residential water consumers who use any part of their water for any commercial or industrial purpose. In no case, however, shall the sewage charge be less than the minimum for the water meter size installed.

SECTION 3. That this Ordinance shall be in full force and effect upon passage and approval by the Mayor.
